Ancient Wisdom in a Modern Way

JANUARY/FEBRUARY 2012

VOLUME 20, ISSUE 1

PATHWORDS

We know that infinite Wholeness is in us and through us and around us now, and we are conscious that we are renewed this moment, instantly and perfectly, after the image of Perfection. We are guided into the knowledge of happiness, of certainty, of wholeness and of freedom: and we know that there is that subtle Essence of the Spirit, which emanates from us at all times, healing everything it contacts.

- Ernest Holmes

For last year's words belong to last year's language and next year's words await another voice.

Calendars Jan/Feb	10, 11
Topics Jan/Feb	12

So much has been said and written about 2012 being the end of the Mayan calendar. One wonders if there isn't some great profit to be made on it. Calendars have always represented our take on the concept of time. Time itself is a concept and once we have that something in us wants to organize it conveniently and in a way that allows easy interaction with others. All of this is fine as long as we don't lose sight of the fact that we invent time. Really all that continues to exist is this timeless moment.

The Maya created their calendar in the way all great ancient people did – in relationship to the celestial movements of the sun, moon and stars. There is some evidence that they had an unusual sense of even greater cosmic cycles than these. Their calendar ends on a very rare alignment of the earth, the sun and the center of our galaxy. But we do not know of any reason that this should be apocalyptic. So to suppose that it will be is to use the mind in a poor way. Since our thought is creative, we can actually create experiences that have nothing to do with truth by simply believing in them. Better to see this year as a time of great peace and love for our race. Perhaps the galactic alignment will bring openness and compassion for us all.

thing is auspicious. Just as we are happy when a new soul is born, it is possible to see this year as a new birth for each of us. All newness begins in the deep silence of the soul. By coming away from the noise of the senses and the external mind we contact a great ocean of stillness and sweetness. This is always the case; we are made of this inner silent bliss. A good resolution might be to let more of the inner identity out through the senses this year. Dr. Marc Gafni has shared frequently how the ancient Jews felt that the very purpose of existence is so that God, the Self of all, can have expression through its creation – our personalities. This means as John says in the New Testament that 'I must decrease that He may increase.'

In Eastern teachings this was taken quite literally to mean the five branches of yoga, Hatha yoga to let God flow through the body and nervous system, karma yoga to let God take over the doing of all tasks, jnana yoga to let God think through our minds (this is Religious Science), etc. By choosing to emphasize just one of these methods of letting God flow through you

"Good and more good is mine.
There is no limit to the good that is mine.
Everywhere I go I see this good,
I feel it, I experience it. It presses itself
against me, flows through me, expresses
itself in me, and multiplies itself around me."

PATHWORDS is the Bi-Monthly newsletter of Pacific Coast Church and is edited by Dr. Bill Little, Rev. Cathy J. Cole and Rev. David G. Hayward. Contributions come from our members and friends to delight and inform our spiritual community.

(Continued from page 1)

this year you will not only relax more (let go and let God) but you will realize that life is not and has never been designed for struggle and fear. It is a lovely play of God and we are playing a role in it. The illusion of being in charge starts to fade away and we are more apt to let God be in charge of running the universe.

This is a great goal to have for 2012. In the old days we used to call it becoming a 'child of God.'

With great love,

Bill

Catch the Excitement!

Every Sunday at 10 a.m. with Brooke Cole and Janie Lundy

Happy New Year to all from Junior Church!

We have had an exciting time continuing to explore the "Little Wisdom Curriculum", designed by Bunny Hill and Stephanie Pelly specifically for Centers for Spiritual Living. This curriculum is intended to empower children by teaching spiritual principles as they relate to life experiences. Focusing on one principle per month, we have recently learned about Courage, Creativity, and, currently, Love. Each of these are expressions of the Divine in us and through us and are to be celebrated and supported! The children have shared how each of these is experienced in their lives and how each quality feels when it is present within them. There have been a variety of crafts and games to explore as well - the Gratitude Web remains a favorite, and has morphed into the Courage Web (What have you done/do you do that takes Courage?), the Creativity Web (What do you/ would you like to create?), the Love Web (You get the picture?). We had a lovely time brainstorming on creating Peace, as we described the experience of Peace through each of our senses. What a lively group!

We have also been enjoying fun selections of stories from the Mind Shop. In Search of the Light by Leonard Jacobson is a favorite with Ned the horse, Molly Mouse, Frederick Firefly, Peter Rabbit and Bert the bumblebee all drawn in vivid colors. The story is written in verse and the children enjoy the descriptive and often funny rhymes.

Please join us anytime downstairs in the cozy community of Junior Church. The radiance and sincerity of the children is always a blessing and a powerful teaching.

Blessings — Janie

Treasurer's Corner

Dale Hillard

"Thank You PCC for giving me a place to go where I feel accepted, valued and a part of a community. Peace."

As your treasurer, I have the opportunity to read the inspirational notes, like the one above, left on our donations envelopes each Sunday. Your donations have helped manifest this "place". Our beliefs make our members feel accepted, valued and part of our community.

At this "place" we have just broken our \$500,000 mortgage, now, \$499---. This gives me the opportunity to ask our members to review their wills, living trusts, etc. in regards to bequests made to PCC at the time of their transitions. We are a young church in comparison to many of the churches in our area, therefore we have a \$3,365/monthly mortgage payment. As we all strive to meet our physical living expense this new year, please con-

tinue to tithe to meet our spiritual living expenses.

Another special "Thank You" to Nick Torre, Sally Kempton, Rev. David Hayward, Dr. Marc Gafni, Dr. Bill Little, Dr. Rick Moss, Bob Phillips and Brooke Cole that made our unscheduled untraditional Christmas service occur at our special "place". And, our Fellowship Party Christmas Dinner by Barbara Allen and elves with a blessing from Dr. Bill, helped make Christmas day a great way to enjoy the holiday.

Suggestion Box: Did you know there is a Suggestion Box in the Community Room? We welcome your ideas.

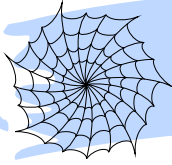

Finally, our Chair Fund (\$75/chair) has raised \$8,700 from our members. I hope to publish a partial list of donors in the next Pathwords and if you would like to be listed anonymously please let me know.

Create Great Memories,

Dale Hillard

We are still collecting winter coats until the end of February. Country Club Cleaners will clean them and then distribute them to local agencies. Please drop them off at PCC, there's a collection bin in the Community Room, or if you prefer call our Board member, Carol Arredondo 831. 624. 3773

The Dream Weavers

Here We Grow Again! The Dream Weaver's are off to winter seminar for four days over the Martin Luther King holiday. Our bags are packed and we're ready to grow! We'll spend four days in the redwoods with Religious Science teenage youth from all over Northern California at YMCA Camp Loma Mar near the seaside town of Pescadero.

Can you imagine what it would have been like for you to grow up in this fabulous philosophy? It is so valuable for the youth to put these principles into action with and for each other. I hear on facebook from the kids that have aged out of the Dream Weaver program saying, "Ohhhh, I want to go, too!"

We look forward to sharing our fotos, fun, frolics and fantastic experiences in the next Pathwords. Thank you, everyone, for your valuable support of our youth.

With Love, Rev. Sreya Zekas

Congratulations Rev. Sreya Zekas

Our very own Rev. Sreya is now the Senior Minister at *Pathways To Spirit* in Santa Maria California.

Pathways is a Religious Science community with an ANTN affiliation. Santa Maria is about three hours south of Pacific Grove about half an hour beyond San Luis Obispo. It's a lovely ride on a Sunday morning. If you ever want to visit you'd be very welcome.

Thanks to Rev. Sreya for all she has done serving PCC since 2004. — Fellowship Parties, Youth Group, World Religions, Spiritual Boot Camp, Inreach Committee, Practitioner, Practitioner Committee, Junior Church teacher, washer of table cloths, writer of articles, decorator, chief cook and bottle washer, chief assistant to the assistant chief, and of course mate, mentor and friend to her beloved partner Rev. David Hayward.

Rev. Sreya will commute between Santa Maria and PG and is still available for clients at her local office in PG. Indeed you will see on page 9 that she is teaching at PCC in February.

Blessings on your Ministry Rev. Sreya.

P.S. Everyone! We are looking for a second car quite urgently. We'll take the runt of the litter off your hands if you're looking for tax donation. Please give us a call at the church office.

PACIFIC COAST CHURCH

Fellowship Parties

Your party stop on the path to enlightenment!

Fellowship parties had a successful launch this fall with our annual church picnic at Veteran's Park. We had 100 people come out and play. This number also included 10 children. Thanks to the many folk who shared their time and talents to help create such a great day for all of us. Displayed in the community room, you'll find a poster board full of gorgeous, playful photos.

Doug the magician entertained adults and children alike. Marie O'Reilly was busy all afternoon doing face and body painting. Mark Stephenson and Jerry Loomis helped set up and displayed their culinary skills at the barbecue. Rev. Sheri Parelskin did all the shopping. Many thanks to the committee, Kelley Foy, Shara Hemingway and Rev. Sreya Zekas, for helping to create another celebration for us here at PCC.

Fellowship Parties held over the winter included a smashing Halloween Party. Thanks to Mike and Lisa Whirlow for their help. Mike is a fabulous piano player! Rev. Kim Yalda kept the music coming for karaoke. Ted Hill

provided several of his ever popular hikes. This time Joie Goodkin also contributed a hike in Garland Park with a fabulous Greek lunch afterwards. It was a girls day outing! Many thanks to Holger Hubbs with his computer help on the Fellowship Party brochure.

Christmas Dinner hosted by Barbara Allen and her elves was superb! What a great day and wonderful celebration. Upcoming events include a writing class offered by Laura Emerson and Shara Hemingway is hosting a Super Bowl Party.

Now that Rev. Sreya is the Senior Pastor at Pathways to Spirit in Santa Maria, we are looking for new leadership in the Fellowship Party committee. What a wonderful way to serve your circle of friends by organizing these fabulous events! Our friendship is evident on Sunday mornings in the community room after service. How would you like to be a part of expanding this friendship circle? Send Rev. David an email to see how you might be a part of this fabulous opportunity.

Conscious Relationships

A workshop for those who want to be in relationship and for those who want to nourish the relationship they are in.

Relationships can be the basis of suffering and unconsciousness or the doorway to joy, spiritual growth and enlightenment. Which have you chosen in the past? Are you willing to enter into a conscious relationship? Are you willing to do the work?

Life is a series of relationships. We start in a merged union with our mother, a relationship that forms the basis of all other relationships. For most of us a father or father-like relationship informs us of what we can expect from the world. From this family dynamic we emerge with a sense of self-worth and enter into friendship, intimate relationships and a relationship with the Divine. Unless growth and healing has occurred, our relationships will be dominated by our unconscious past experience.

Thurs, Jan 19, 7:00 - 9:00 p.m. 6 week Class

To access the Hologram of the Body is to access your totality, the entire reservoir of your Being. This accessibility leads to the discovery of your path to liberation. The Holographic Healing System is an approach that is dynamic and powerful because it regards pain, challenge and discomfort as access points to your healing, well-being and awakening.

In each class Janel will attention a different part of the body and its corresponding issues. This will give you an opportunity to see your body from a new perspective that offers physical, mental, emotional and holographic healing.

The Weight Loss Café

Principles that guide this course are:

- Your body itself is completely neutral. It causes nothing; it is completely an effect, not a cause.
- Neither poor diet nor lack of exercise are the cause of your excess weight. Mind is cause; body is effect. The cause of your excess weight is in your mind.
- The cause of your excess weight is fear, which is a place in your mind where love is blocked.
- Fear expresses itself as subconscious urges, which then express themselves as either excessive and/or unhealthy eating habits and/or resistance to proper exercise. The ultimate effect of this—that is, excess weight—will only be permanently and fundamentally healed when the fear itself is rooted out. The purpose of this course is to root out your fear, and to replace it with an inestimable love.
